Jakharia Book Mfg. Co. · “Quality Speaks Itself”

About us

Jakharia Book Mfg. Co. was established in 1987 with a simple idea: make honest, well-bound notebooks at a fair price, and deliver them on time. More than three decades later, that idea still runs every line in our Vapi unit.

Ruling, printing, stitching, binding and packing all happen under one roof. That is how we keep the paper consistent, the covers sharp and the dispatch dates real — season after season, for distributors, wholesalers, schools and tuition centres across India.

How our books are made

1. **Paper reel**
   Paper is checked for GSM, brightness and opacity before it is used.

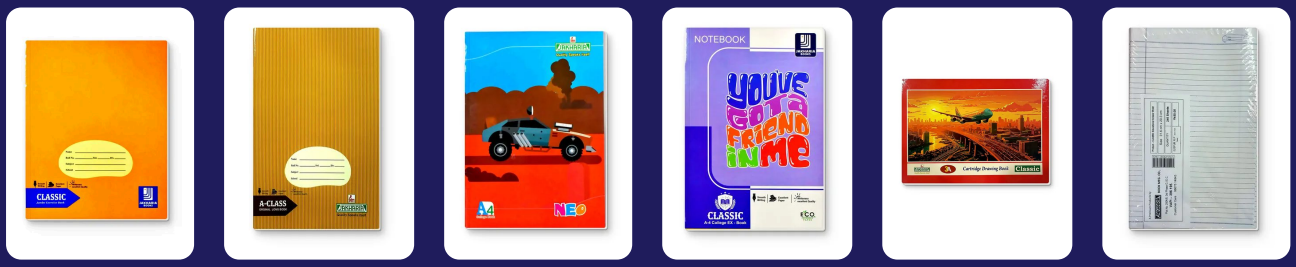

2. **Ruling**
   The reels are ruled on our own machines — single, double, four line, square or graph.

3. **Printing**
   Covers are printed in-house, with gloss, matt or UV finishes.

4. **Stitching & binding**
   Sheets are gathered and thread-stitched, soft or case bound.

5. **Cutting**
   Three-side trimming gives every book clean, square edges.

6. **Packing**
   Books are counted, bundled and strapped for safe transport.
